3 Saving the environment in which we all live is important. The Chairman ensures that *Emirates* works hard to recycle many of the materials it uses and to reduce atmospheric pollution from the fuel that powers its aircraft. Water consumption for washing aircraft has been reduced, newspapers and other paper products collected from *Emirates* aircraft cabins are recycled. *Emirates* uses a variety of methods to monitor its employees when carrying out these jobs. For these roles *Emirates* uses a short chain of command.

- 4 To train as a pilot can be very expensive. The cost of accommodation and meals as well as the actual cost of training must be taken into account. In 2018 the cost to an individual to become a pilot was 730 000 AED. *Emirates* aims to employ those pilots that have the best qualifications and skills.

Competition for air travel has increased over recent years as more and more people travel around the world, for work and pleasure. People are also taking holidays to many more different places. Lower cost airlines are entering the market to attract travellers.

Many trainee pilots take a bank loan of 730 000 AED to pay for their training.

- (a) Calculate the total cost of a pilot's loan if the interest rate was 3%. You are advised to show your workings.
