4 Study Sources 1–4.

The United Nations (UN) is considering three ways to reduce inequality in world trade.

- promoting fair trade organisations
- giving more aid to developing countries
- funding scientific research in developing countries.

Which of these methods do you think is most likely to reduce inequality in world trade?

In your answer you should:

- state your conclusion
- give reasons for your opinion
- use the material in the Sources and your own experience and evidence
- show that you have considered different perspectives.
